

November Classic Helpers

Thank you for offering to help at this year's November Classic.

If you have not yet heard from your team leader or myself you should soon receive a call.

The list below shows the area you will be helping in, whether you are on the early or late shift and an approximate start time for your run, which has been passed to the emit team. Actual times will appear on the web site on Tuesday, 27th.

Final details should go on the web site on Sunday evening.

If you have any queries please ring or email me.

Thanks again. Enjoy the day. Bill Davidson.
