

# Roadshow Warm-up Event

## Wednesday 13th October

### Whiteknights Park, University of Reading

**Start times:** 5.00-5.30. Note that controls may be removed from about 6.15

**Courses:** There will be 3 courses: Long (4.5K), Medium (3K) and Short (2K). They will all do a selection of loops with common controls. Loops will be run in different orders and different directions.

**Map:** 1:5,000 Spring 2010 with minor updating; A4. Note that small black circles represent cycle racks and that building overhangs have not been shown. To see a copy, visit the BKO page on Routegadget at: <http://www.bko.routegadget.co.uk/bko/reitti.cgi>

**Control Descriptions:** Symbolic only with a circle representing 'cycle rack'

**Electronic timing:** Emit

**Terrain:** The course will use the main built parts of the campus so will be mainly on paths or grass. The Long course will however follow a gravel path through a wooded area to a second part of the campus, returning the same way. Competitors must avoid all flowerbeds and similar cultivated areas.

**Location:** The event will be based in Car Park 3 shown on the map below. There will be no signs so as to avoid confusion with the Roadshow. Overflow will be into Car Park 2, 200m before Car Park 3. For details of how to get to the campus, see the University web site at: <http://www.reading.ac.uk/about/find/about-findindex.aspx>

**Cost:** £2 per competitor.

**Further details:** E-mail [secretary@bko.org.uk](mailto:secretary@bko.org.uk)

**Note:** Please take care crossing campus roads. These should only have slow moving vehicles but might get busy at about 5.00 as staff leave the campus. Competitors take part at their own risk.
